Athletes who withdraw from a program prior to 50% of the season being completed will be eligible for either a full or partial refund of fees.

Eligibility for Full Refund

1. Athletes who withdraw from a program prior to the 2nd practice will be eligible for a 100% refund of the sport fee.
2. In cases where this is the only sport that an athlete is registered in they will be also be eligible for a refund of 100% of the base registration fee.

Eligibility for Partial Refund

1. Athletes who withdraw from a program after the 2nd practice but prior to 50% of the practices being completed will be eligible for a 50% refund of the sport participation fee.
2. For athletes where this is the only sport that they are registered in they will also be eligible for a refund of 50% of the base registration fee.

Process to Receive a Refund

1. It is the responsibility of the athlete to request a refund if they withdraw from a program.
2. The amount of the refund will be dependent on when the athlete submits their request to the Athlete Registrar. For example, if an athlete only attends the first practice but doesn't request a refund until half way through the season they would only be eligible for a 50% refund.
3. No refund will be provided if the request is submitted after 50% of the program has been completed.
